Partner with us for the Northern Territory's premier event in natural resource management.

Join us and support the Territory Natural Resource Management Conference and NT NRM Awards, showcasing excellence in managing and protecting the NT's land, water and biodiversity through on-ground work, scientific research, and sustainable practices.

For over a decade, the event has drawn a strong turnout, highlighting Territorians' shared commitment to caring for the Northern Territory.

As a partner, you'll connect with conference delegates who are coming together to solve challenges and exchange ideas. You'll also have the opportunity to celebrate the achievements of natural resource managers from across the NT.

Your support helps drive collaboration, knowledge sharing, and innovation across the NRM sector while demonstrating your commitment to the long-term health of the NT's natural resources.

This is a valuable opportunity to raise your profile and support the people working towards a healthier, more resilient future for the Northern Territory.

EVENT OVERVIEW

The TNRM Conference and NT NRM Awards is the Northern Territory's leading event for natural resource management. It showcases expertise, on-ground initiatives, and community-driven solutions from across the NT.

Over three dynamic days, the conference delivers valuable professional development and networking opportunities, with tailored workshops, guest speakers, poster displays and interactive exhibitions. It provides a platform for event delegates to exchange ideas, learn from shared experiences and explore practical approaches to strengthening natural resource management across the Territory.

The NT NRM Awards Gala Dinner is a special night that honours the amazing work of individuals and groups who are looking after our natural landscapes, wildlife, and agricultural systems for the future.

The event continues to get bigger each year, bringing together hundreds of land managers, Indigenous rangers, researchers, industry leaders, farmers, pastoralists, businesses and community groups to network and share their knowledge and skills.

MORE WAYS TO PARTNER

Take Me There

Each year, natural resource managers from across the Northern Territory travel, often from some of the most remote areas, to share their stories and knowledge at our conference. But getting to Darwin isn't easy. Travel is long, costly, and complex.

With your support, we can bring more remote voices to the room, helping rangers, landholders and volunteers attend, present, and connect. Together, we can strengthen natural resource management across the Territory.

\$1,000

Purchase as a stand-alone package or add-on to an existing partnership package.

Benefits:

- Receive a shout-out on our social media platforms.
- Show your support for delegates in remote areas by helping them grow their skills and share their work with industry, media, and the wider community.

Sponsor an NT NRM Award

Celebrate the NT's NRM champions by sponsoring an award category that aligns with your values.

As an award sponsor, you'll gain brand exposure at one of the Territory's most respected natural resource management events, with recognition across event materials, and during the awards ceremony. Most importantly, you'll help elevate the achievements of individuals and groups working tirelessly to care for the Territory.

\$2,000

Purchase as an add-on to an existing platinum or gold partnership package.

Benefits:

- Sponsors will be recognised during the NT NRM Awards gala dinner.
- Sponsors may nominate a representative to appear onstage and present the award to the award winner/s of their sponsored category.
