The conference is an important platform to share findings and updates from some of the most remote project areas of the Territory. Remote travel is logistical and costly.

You can support remote presenters to attend the conference through this package.

Print Me

We print posters, conference and awards programs as well as signage, delegate name badges and workshop flyers for the TNRM conference & NT NRM awards each year to make the conference experience as smooth and easy to navigate as possible.

Invest in the next generation

Each year, the TNRM Conference attracts students who attend and present at our workshops and presentation day. Funds from the Sponsorship Package will go toward conference tickets for full time students.
